*Even birds and animals have much they could teach you; Job 12:7*

## **JUST LOOK UP!**

There are many comparisons of the birds and the bees with humans in our world. Here, an unknown author compares the life abilities of 'the Buzzard, the Bat, the Bumble Bee and People'.

**THE BUZZARD:** If you put a buzzard in a pen that is 6 feet by 8 feet and is entirely open at the top, the bird, in spite of its ability to fly, will be an absolute prisoner. The reason is that a buzzard always begins a flight from the ground with a run of 10 to 12 feet. Without space to run, as is its habit, it will not even attempt to fly, but will remain a prisoner for life.

**THE BAT:** The ordinary bat that flies around at night, a remarkable, nimble creature in the air, cannot take off from a level place. If it is placed on the floor or flat ground, all it can do is shuffle about helplessly and, no doubt, painfully, until it reaches some slight elevation from which it can throw itself into the air. Then, at once, it takes off like a flash.

**THE BUMBLEBEE:** A bumblebee, if dropped into an open tumbler, will be there until it dies, unless it is taken out. It never sees the means of escape at the top, but persists in trying to find some way out through the sides near the bottom. It will seek a way where none exists, until it completely destroys itself.

**PEOPLE:** In many ways, people are like the buzzard, the bat, and the bumblebee. We struggle with all our problems and frustrations, never realizing that all we have to do is look up!

That's the answer, the escape route and the solution to any problem...

**Just look up!**

**Sorrow looks back,  
Worry looks around,  
But faith looks up!**

**Live simply,  
Love generously,  
Care deeply,  
Speak kindly,**

**Share this with a friend... I just did.**
