Everything is Beautiful

Hope from an unlikely source for hoping for world peace. This Gentleman was noted for some of the silliest songs of the swinging sixties. Then he came out with this!

Written by Ray Stevens (originally recorded in 1970). <https://youtu.be/akzW4xqAzB4>

Jesus loves the little children, all the children of the world
Red and yellow, black and white, they are precious in his sight
Jesus loves the little children of the world
 Everything is beautiful in its' own way
 Like a starry summer night or a snow covered winter's day
 Everybody's beautiful in their own way
 Under God's heaven, the world's gonna find a way
There is none so blind as he who will not see
We must not close our minds, we must let our thought be free
For every hour that passes by, you know the world gets a little bit older
It's time to realize that beauty lies in the eyes of the beholder
 Everything is beautiful in its' own way
 Like a starry summer night or a snow covered winter's day
 Ah, sing it children
 Everybody's beautiful in their own way (everybody's beautiful, oh, in their own way)
 Under God's heaven, the world's gonna find a way
We shouldn't care about the length of his hair or the color of his skin
Don't worry about what shows from without but the love that lives within
We're gonna get it all together now and everything gonna work out fine
Just take a little time to look on the good side my friend
 And straighten it out in your mind
 And everything is beautiful in its' own way (yeah, yeah)
 Like a starry summer night or a snow covered winter's day
 Ah, sing it children
 Everybody's beautiful in their own way (everybody's beautiful, oh, in their own way)
 Under God's heaven, the world's gonna find a way
 One more time
 Everything is beautiful in its' own way (everything is beautiful, oh, in its' own way)
 Like a starry summer night or a snow covered winter's day
