Subject: Magnetic name tags

To: John Gill <john.deb.gill@gmail.com>

Good morning,

I was talking to at least one person about name tags. That person like myself would like magnetic name tags so our clothing doesn't get damaged.

I was going to order Terry and I two from Amazon and then thought it might be something the church could consider. I know your plan is to encourage name tag use.

Perhaps there could be a place to leave them at the church. I have been told there was such a place before the construction began.

I thought of having the sale of the tags as a fundraising activity, but maybe that isn't a good idea if the goal is to have more COF members wearing them. Let me know what you think.
